# Covid-19 SAFE COOLER

Self-service bottle cooler without door opening

FIFO Table Top

FIFO XL

**Our new patented system**  
solving an old problem

The FIFO Green Cooler fully meets the new European Directive requiring the closure of the refrigerated storage and display units.

**More profitable**

 **+40 to 200%**

## Increase in sales

*Bottle access without unnecessary door opening. The FIFO Green Cooler concept encourages quick self-service. Several people can take a bottle simultaneously.*

*Simple, rapid access  
to the bottles without  
having to open any  
doors.*

**Customized bottle racks  
To avoid cannibalization of  
cooling unit**

*The only cooler adaptable to receive  
a specific bottle shape, thus avoiding  
the cannibalization of the cooler by  
competing brands.*

**Optimal beverage label visibility  
in illuminated display**

*Your products benefit from  
optimal visibility of the brand*

**Everything is planned,  
Lockable bottle access**

*Secure your products during  
your absence*

**Our new patented system  
solving an old problem**

*The FIFO Green Cooler fully meets the new European  
Directive requiring the closure of the refrigerated  
storage and display units.*

FIFO, available in 2 versions: "Table Top" and "XL"

**More ecological  
and economical**

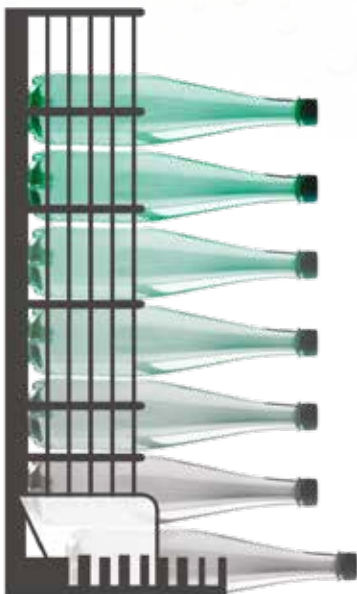

**70%** energy saving

By avoiding cold loss and condensation water due to door openings, you can save 70% energy.

**+**  
Condensation is non-existent

**+**  
Suitable for different bottle formats  
33 cl to 50 cl.

**More efficient**

Manage your products *naturally* in FIFO mode.

Comfortable management of products in FIFO (First In - First Out) mode. This guarantees that the coldest products with the shortest expiry date are consumed first.

The technical solution?  
Mainly Gravity!

**DOOR**

Glazed on the whole surface

**SEALING**

Cut rubber membrane

**EXTERNAL**

Pre-lacquered sheet metal  
**Colour customization**

**SHELVES**

Height adjustable

**LOCK**

Closing the system by key

**INSIDE**

Stainless Steel  
Each column is individually adjustable for all bottle shapes ranging from 33Cl to 50cl  
Horizontal loading

**FIFO SYSTEM**

Simple and quick access avoiding the opening door

**LIGHTING**

LED

**THERMOSTAT**

Display and adjustment of the temperature

**TECHNICAL DATA «Table Top»**

External dimensions L x D x H (mm)	587 x 523 x 1088	Weight (Kg)	51
Net volume (liters)	77	Customizable surface area (m <sup>2</sup> )	0,91
Capacity (PET 500 mL)	65	Temperature (°C)	2 to 8
Units / container-truck (20'/40'/13,6m)	60/120/138	Cooling gas	Hydrocarbon R-600a
Capacity per column (PET 500 ml)	11 + 2	Noise level (dB)	39

**TECHNICAL DATA FIFO «XL»**

External dimensions L x D x H (mm)	587 x 523 x 1962	Weight (Kg)	102
Net volume (liters)	77 + 152,5	Customizable surface area (m <sup>2</sup> )	1,71
Capacity (PET 500 mL)	65 + 96	Temperature (°C)	2 to 8
Units / container-truck (20'/40'/13,6m)	30/60/69	Cooling gas	Hydrocarbon R-600a
		Noise level (dB)	39

2-year warranty for parts and labour
